Everest Expedition

The Everest (8848m),ever since the higest peak in the world, has fascinated and drawn climbers from around the world.This Peak has 2 other name; Chhomolingma in Tibetans and Sagarmatha in Nepali. At the beggening it was known as Peak XV.Mt. Everest lies in the Khumbu region of Nepal on the northern border with Tibet and also falls within the Sagarmatha National Park. Tenzing and Sir Edmund Hillary had recorded the first summit atop the highest mountain in the world in 29th may 1953. Since then it was proved to the world that it could be climbed. Many records have been broken and many Sherpa and international climbers have climbed.Today this peak can be climbed both side Nepal and Tibet.

Trip Itinerary:

Everest Expedition:

The Everest,ever since the higest peak in the world, has fascinated and drawn climbers from around the world.This Peak has 2 other name; Chhomolingma in Tibetans and Sagarmatha in Nepali. At the beggening it was known as Peak XV.Mt. Everest lies in the Khumbu region of Nepal on the northern border with Tibet and also falls within the Sagarmatha National Park. Tenzing and Sir Edmund Hillary had recorded the first summit

atop the highest mountain in the world in 29th may 1953. Since then it was proved to the world that it could be climbed. Many records have been broken and many Sherpa and international climbers have climbed.Today this peak can be climbed both side Nepal and Tibet.
